PREFACE

THE Committee of Publication has departed this year from its custom of presenting to the Association a book devoted exclusively to persons connected with our Public Schools. The present volume is a Register of the Men of Charlestown who served their country during the Civil War (1861-1865) in the Army and Navy, in number upwards of 4,000, a great proportion of whom, however, had attended our Schools in their youth.

The work of compiling this Record has been long and arduous; it has fallen upon the junior member of the Committee, who has had the valuable aid of our associate, Leonard Chauncy Spinney. So wide was the field to be covered, and so great was the number of names involved, that it has not been possible to give more details than those here presented. Furthermore, until 1864, the Navy Department did not credit the States with the enlistments of their citizens in *other* States, consequently our Navy Record is not so complete as that of the Army.

It is hoped that any errors or omissions which may be noted in these pages will be called at once to the attention of Mr. Stone.

The thanks of the Committee are given to the courteous and efficient officials of the Adjutant-General's office of the Commonwealth for their hearty coöperation; but for their readiness to place at the Committee's service the accurate and admirably arranged Archives in their custody, this work would have been impossible of accomplishment.

The Adjutants of Abraham Lincoln Post 11 and Major George L. Stearns Post 149 of the Grand Army of the Republic, also put their Records at the disposal of the Committee, thereby rendering invaluable aid. To these gentlemen, also,

the Committee makes its grateful acknowledgments, as well as to Mr. Charles F. D. Belden, the obliging Librarian of the Boston Public Library.

Mr. Edward Burbeck has been assiduous and successful in securing financial aid; and Mr. Samuel Hobbs has given substantial expression to his interest in the Association and its present undertaking. To both the Committee offers its cordial thanks.

In addition to the general contribution toward the cost of compiling and publishing this Register, a private subscription has been made by a few members of the Finance Committee, which has enabled the Committee of Publication to meet the large expense involved. The names of the subscribers follow: Edward Burbeck, Henry H. Edes, Henry J. Evans, William L. Henry, James S. Murphy, Frank W. Richards, Arthur R. Robertson, Walter F. Watters, J. Frank Wellington and George S. Wright.
